PRESS RELEASE

for immediate release

Aluminium Rally Navigator/Co Driver Footrests

If you are preparing a rally car or off-roader or just want to toughen up your road car's interior the latest offerings from Optimum Balance Products should be of interest.

OBP have just released two Navigator/Co Driver Footrests made from lightweight aluminium.

The foot rests are made from 1.6 Swg (1.6mm) Aluminium. They are Tig welded and braced for maximum strength. Two sizes are available and prices start at just **£30.00** plus VAT.

For further details contact Optimum Balance Products Ltd. on +44 (0) 1487 812 301 or visit their website: www.obp.uk.net
